

ALASKA CLUB KINK NEWS

JANUARY 2024

Do you remember last summer when you were too hot, begging for a cool breeze? Me neither, but somebody was and I think their prayers were answered in full! Perhaps Alaska is just polishing off that WinterLand reputation. Either way, we have all sorts of things planned to get you HOT!

We are kicking this year off with Behavior, Insanity, Age Play, and a last minute addition: **CORSETS!** It's nearly impossible to attend a kink event without seeing some gorgeous piece that makes you want to see more. And most people need help getting them on! Come learn about lacing one up!

And check out the deep dive into age play. It's a little more than you think. You'll want to know what comes after your partner calls you daddy (or mommy)! This class is for everyone who wants to know more about it.

There are a lot of happenings online. This newsletter is one of them! And it also gets posted in the #clubnews discord channel. Everyone has their preferred way to get the news. Email, Fetlife, Discord, Facebook, or checking the website. We are there! What works best for you ?!

1 A Year in Review

The first of the year is a great time to take a look back at 2023 and see what worked, and what needs attention. And one of those outstanding issues was an update to the club policies. Our first priority is always safety and we spent a great deal of time in 2023 working on dungeon master training and safe play.

Now we are revamping the club policies to create an even better space for our members. This includes the Code of Conduct, a new policy on Consent, an Engagement Policy, for any issues that arise, and an Education policy for our instructors. Check them out on the website under the members section (coming soon)!

2 I Need to Read More

I do, you do, we all do. And we have lots of books on kink for you to check out at the club! We buy them, you read them. It's a sweet deal!

3 Lost and Found

We love your style, your flair, your panties! Please check to see if the spare ones we have are yours!

4 New Year, New Faces!

"Wow! So many new people!" We hear it pretty often at the weekly munch. Do you remember your first munch? Be sure you take a moment and introduce yourself! And do your best to help break the ice. (bad winter pun)

Munches are your best place to start up a conversation and negotiate a future scene. And with the parties already getting busy this year, there's no sense burning up valuable party play time if you can avoid it.

We are also crowning a KinkMaster every month. Get in the game and win some points! You could be next!

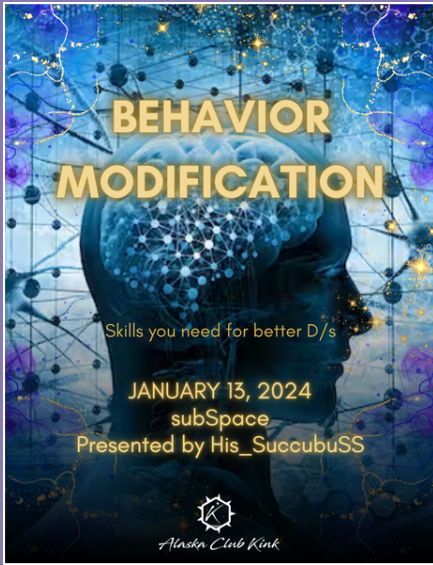

LIBRARY *Open*

The club library is OPEN. We have a growing variety of kinky books you can check out. Make 2024 your year to dive into your kink!
