

ALASKA CLUB KINK NEWS

FEBRUARY 2024

Are you ready to take your kink to the next level? All you need is a solid foundation, a willingness to learn, and have we got the goods! Come learn a bit about the past, starting with the 50's Household class with a twist from the FemDom perspective. Then join us as we rock those negotiation skills, followed by The Contracts Class. If you are new to the scene, this month is your chance to really kick it off with these events!

It's sneak peek time! We have some serious education muscle coming up in April. Lady Petra and Saffermaster will be here for a special class on April 27th. We are flying them up to give you the inside scoop on Creating Bliss! I mean, everyone wants bliss right? If we could only bottle it...

There are a lot of happenings online. This newsletter is one of them! And it also gets posted in the #clubnews discord channel. Everyone has their preferred way to get the news. Email, Fetlife, Discord, Facebook, or checking the website. We are there! What works best for you ?!

1 Community Heroes

Frozen cars, dead batteries, broken boilers. It is definitely that time of year. While some of us have someone to call when the going gets rough, there are those who do not.

It might just take a ride, a hot meal, or a spare heater. Whatever it is, they might need it and you might just have it available.

So, a big thanks to all those pitching in to make someone's day just a little bit easier. That little bit can really go a long way on a dark day. And all of it comes together to make this a great community.

2 FetLife

Fetlife is the number one place new members hear about the club... And now all of our events are posted there too!

3 Party Playlists

Do you have a song you would just loooooove to hear at a play party? Just let us know. We add songs to the playlists all the time!

4 Become the Kink Master!

Have you been playing the weekly games at the munch? I hope so! We are keeping score and those points really add up. Last month's title holder was Bean. You could be next.

Every month we take the total points for each player and award a new KINK MASTER. They have the honor of wielding the Kink Master scepter for the month. The scepter contains POWER and kinky WISDOM (and plastic). Each Kink Master has the chance to enhance the scepter as they wish, embellishing it with greater and greater features.

Join in on the fun and leave your creative addition!

UPCOMING EVENTS

Come learn about the 50's household!

The 1950's was a time of high fashion and simple tastes. Many people enjoy the 1950's dynamic because the roles were very well defined. In a traditional 1950's 24/7 M/s or D/s home the Master/Dom holds all/most of the power, is the main decision maker, and is usually the breadwinner. The sub in this kind of dynamic is usually the homemaker (takes care of the home, family, kids, Master, etc.).

However, we all know who the real Master of the household is- the woman. Even though the man made the money, the woman controlled it. What is more submissive than the man being the cash cow, being out all day and making money while the woman stays home and lives in the lap of luxury, having tea with her friends and spending his money to keep herself beautiful?

This class is presented by His_SuccubuSS!

Negotiating Kink

Negotiation in the kink space is a hurdle for many. Do you ever have challenges getting started? Or have you skipped key points that bit you later? Come learn the basics and hone your skills with a class that covers the tools you need to play in the community. This class is for all experience levels.

This class is presented by Rhandi!

The Contracts Class

What do you know about D/s contracts? What do they mean? How do they work? Contracts are an optional piece of the D/s dynamic that help build, grow, and communicate expectations in a written format.

This class will have hands-on practice for negotiating what you want in the contract, both as a submissive and Dominant, how to write a contract that is ethical and integrous, and how to monitor and update the contract as time passes.

Come work through a real contract with SubTestAK and define your own dynamic!

EVEN MORE EVENTS

Kink & Order Play Party

In a kinky justice system, the people are represented by two separate yet equally important groups: The bottoms, who instigate, and the Tops, who punish those offenders.

From 7pm until 9pm, we will be holding hearings in our Kinky Night Courtroom. Join us in the gallery as a spectator, or file a kinky complaint before the hearings to have your case heard!

The Dungeon will open at 9pm until 1am.

Creating Bliss

A Kink Relationship Dynamics Workshop with Lady Petra and Saffermaster, the hosts of the Kinky Cocktail Hour podcast. Both Lady Petra and Saffermaster are lifetime coaches and for the past several years have offered versions of this workshop at DomCon as well as to groups of clinical psychologists and social workers who's clients include kinksters.

This one day workshop is divided into two parts, the first part gets at the nitty gritty of how to create a great relationship with your partner(s) and the second part, gets at how to maintain a great relationship with your partner(s). This is not a workshop offering tips and tricks. Instead, the leaders show you how to take control of your relationship in a meaningful and effective way.

Quote of the Month

"BDSM stands for Bondage and Discipline, Dominance and Submission, and Sadism and Masochism. Yeah, it should really be BDDSSM, but BDSM looks less like a cat sitting on a keyboard, so they went with that."

— Page Turner, Poly Land: My Brutally Honest Adventures in Polyamory
